

tinyxml2::XMLVisitor

```
classDiagram
    class tinyxml2_XMLPrinter["tinyxml2::XMLPrinter"]
    class tinyxml2_XMLVisitor["tinyxml2::XMLVisitor"]
    tinyxml2_XMLPrinter --|> tinyxml2_XMLVisitor
```

The diagram illustrates a class hierarchy. At the bottom is a white rectangular box with a black border containing the text 'tinyxml2::XMLPrinter'. A vertical blue line with a blue arrowhead at the top points from this box to a gray rectangular box with a black border at the top, which contains the text 'tinyxml2::XMLVisitor'. This indicates that 'tinyxml2::XMLPrinter' inherits from 'tinyxml2::XMLVisitor'.
